*Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matthew 19:14).*

Hello St. Andrew Catholic Community,

This letter is to notify you of the Terra Nova Assessments and InView Test for grades 2-8 will continue to be administered this week. Please remember that it is important for students to be on time for school so that they have enough time to get settled and ready for the tests. Testing will be administered in the morning, so it is important that your student(s) is at school no later than 7:50 a.m.

There is no need to study for this type of test; however, below you will find some tips on how to help your child(ren) perform to the best of his or her ability:

- Please try to ensure that your child gets a good night sleep and gets up in time to have breakfast. A good night of rest entails 8 – 10 hours of sleep. Students should eat a healthy breakfast, including some protein and healthy carbohydrates for in person students and virtual students should make sure they have lunch before arriving to school.
- Encourage your child to prepare the night before by laying out clothing, packing their backpack, lunch, healthy snack, etc., or anything else they may need to avoid a rush in the morning. The snack may be eaten at a time designated by the teacher.
- The only supplies your child will need to have available for the test are two #2 pencils with erasers which will be given to them and a book to read if there is time remaining when finishing the test.
- Help your child to relax and remain positive. If your child is prone to anxiety, practice a few relaxation techniques, such as counting from one to ten or taking deep breaths, which can help them relax and concentrate during the test.
- Physical activity relieves anxiety. If it is possible for your child to engage in some type of physical activity daily, it may be beneficial.

Due to the time constraints placed on us by Data Recognition Corporation, your child(ren) must be present for all days of testing. Thank you in advance for your cooperation as we conduct this very important assessment of your child(ren)'s academic progress.

Blessings,  
Mrs. Gipson

ARTREACH ORLANDO PRESENTS:

# artists IN WONDERCAMP

**SCHOLARSHIPS AVAILABLE!**

## ARTISTS IN WONDERCAMP 2024

Artists in Wondercamp is a summer art program designed to introduce elementary, middle, and high school students to contemporary art through inquiry-based learning, open-ended discussions, hands-on studio art experiences, and interactions with professional artists. Each week students explore meaningful ideas and processes that help them investigate the world around them through the elements of art while, most importantly, having lots of fun. Different themes and media are explored with an emphasis on the process over the final product to allow creativity to flow freely. We'll begin each day with mindful body movement. Art is a messy business, so please dress appropriately!
